### Why This Policy Exists

Roberson Museum relies on admissions and support from the community to maintain our exhibitions, facilities, and programs. While we're thrilled to be part of your special day and welcome prom-goers to take photos in our historic and scenic spaces, these visits do impact our regular operations and the experience of other paying visitors.

This policy ensures:

- **Safety and accessibility** by preventing overcrowding in gallery spaces.
- **A positive experience for everyone**, including Museum members, daily visitors, and prom guests
- **Support for the Museum**, as admission fees help fund the care of our collections, maintenance of our buildings, and development of exhibitions and programs.
